

# Brokenhearted

Brandy

I'm young but I'm wise enough to know  
That you don't fall in love overnight, oh yeah  
That's why I thought if I took my time  
That everything in love would be right

But as soon as I closed my eyes  
I was saying to love, "Goodbye"

But I guess I'm only brokenhearted  
Life's not over I can start again  
While I'm lonely brokenhearted  
It's a hurting thing to get over

No more empty conversations  
Next time I will be totally sure, oh yeah  
Don't want the pain of falling in and out of love  
It's more than my poor heart should endure

So I'll listen to all advice  
And remember each time I cry

That I guess I'm only brokenhearted  
Life's not over I can start again  
While I'm lonely, brokenhearted  
It's a hurting thing to get over

Only brokenhearted  
Life's not over I can start again  
While I'm lonely, brokenhearted  
It's a hurting thing to get over  
(Starting all over again)

Only brokenhearted  
So I'll listen to all advice  
And remember each time I cry

Oh, only brokenhearted  
Life's not over I can start again  
While I'm lonely, brokenhearted  
It's a hurting thing to get over

Only brokenhearted  
Life's not over I can start again  
(Starting all over again)  
While I'm lonely, brokenhearted  
It's a hurting thing to get over  
(Starting all over again)

Only brokenhearted  
Life's not over I can start again  
While I'm lonely, brokenhearted  
It's a hurting thing to get over, get over  
Only
