

# Nothing

Brandy

Hey, love is everything  
And without it  
I'm nothing, nothing, nothing  
Oh oh oh

Nobody knows the pain I feel  
Nobody knows but it's for real  
I can feel it, yeah, yeah  
I do, whoa, whoa  
Nobody knows that I miss you  
Nobody knows but it's the truth  
I can feel it, yeah, yeah  
I do

You cannot pretend, that I don't even matter  
You and I know better  
You've been away from me for too long  
It's time for you to come on home  
No one can say what is right for me  
They don't have to live my life  
I need for you to come on over  
I'll be waiting

I am nothing, without you baby  
Nothing, it's driving me crazy  
Nothing, no one, I'm so alone  
Nothing, without you baby  
Nothing, it's driving me crazy  
Nothing, no one, I'm so alone

No one can see inside of me, oh  
No one can see how much I care  
I need you, yeah, yeah  
I do  
Nobody sees the tears I cry  
No one is there to dry my eyes  
I need you, yeah, yeah  
I do

You cannot pretend that I don't even matter  
You and I know better  
You've been away from me for too long  
It's time for you to come on home  
No one can say what is right for me  
They don't have to live my life  
I need for you to come on over  
I'll be waiting

I am nothing, without you baby  
Nothing, it's driving me crazy  
Nothing, no one, I'm so alone  
Nothing, without you baby  
Nothing, it's driving me crazy  
Nothing, no one, I'm so alone

I don't care, what they say about you  
They don't know, how I feel for you

I don't care, what they say about me  
They don't know and they can't see

I am nothing, without you baby  
Nothing, it's driving me crazy  
Nothing, no one, I'm so alone  
Nothing, without you baby  
Nothing, it's driving me crazy  
Nothing, no one, I'm so alone

Nothing, without you baby  
Nothing, it's driving me crazy  
Nothing, no one, I'm so alone  
Nothing, without you baby  
Nothing, it's driving me crazy  
Nothing, no one, I'm so alone

Need you in my life, I need you in my life right now  
Need you in my life, I need you in my life right now  
Don't you leave me baby, baby  
Don't you leave me, never leave me, never leave me

Need you in my life, I need you in my life right now  
Need you in my life, I need you in my life right now  
Don't you leave me baby, baby  
Don't you leave me, never leave me, never leave me
