

Baby Blue

Brazzaville

I saw you walkin' in the rain
All those many years ago
You looked a bit like Tom Verlaine
I saw him once outside a show

Ooooo Baby Blue
Ooooo I just can't get over you

You seemed so suave and so remote
And I was just 15 years old
You had a black wool overcoat
And lots of alcohol at home

Ooooo Baby Blue
Ooooo I just can't get over you

This old world's changed a lot
Since you caught the slow train home
People live inside their laptops
And in their tiny mobile phones

Ooooo Baby Blue
Ooooo I just can't get over you
