## Breaking Benjamin

**Em**

1. I see nothing in your eyes  
And the more I see the less I like

**C D**

Is it over yet

**Em**

In my head

**Em**

I know nothing of your kind  
And I won't reveal your evil mind

**C D**

is it over yet

I can't win

**C**

\*: So sacrifice yourself

**D**

And let me have what's left

**Em**

I know that I can't find  
The fire in your eyes

**C**

I'm going all the way

**D**

**G**

Get away with you

**Em**

R: You take the breath right out of me

**C**

You left a hole where my heart should be

**D**

You gotta fight just to make it through

**Em**

Cause I will be the death of you

**Em**

2. This will be all over soon  
Pour salt into the open wound

**C D**

Is it over yet

**Em**

Let me in

\*: So sacrifice yourself...

R: You take the breath...

**Em**

\*: I'm waiting

**C**

I'm praying

**D**

Realize, start hating

R: You take the breath...
