

# The Best of All

Breathe Electric

Hey, you're already down  
so why don't you  
wipe the frown off of that face  
and speak to me, my dear

and we are the best of all (2x)

da-da da da-da da [repeat]

Hey, you're already down  
so why can't you  
come on over,  
tell me it's alright.

you know that i've been achin' so bad  
to grace myself with you  
and with me that's the way it goes

and we are the same after all

is this what you're waiting for?  
[was it worth the time]  
too bad you needed more

is this what you're waiting for?  
[it could have been with me]  
with me, with me.

say I'm already down,  
so i think i'll  
sit on back and let the world go by  
i know that it's such a naked lie  
but i will be just fine

and I play the game so well  
and you are to blame afterall

is this what you're waiting for?  
[was it worth the time]  
too bad you needed more

is this what you're waiting for?  
[it could have been with me]  
with me, with me.

YEAH, YEAH

is this what you're waiting for?  
[was it worth the time]  
too bad you needed more

is this what you're waiting for?  
[it could have been with me]  
with me, with me.

The windows were boarded up and closed  
never thought you'd end up alone

was it something that led to nothing  
and i know  
that this is not your fault  
never thought you'd end up alone  
never know 'til it's gone

so i'm asking you  
hey, you're already down,  
so why don't you

is this what you're waiting for?  
[was it worth the time]  
too bad you needed more

is this what you're waiting for?  
[it could have been with me]  
with me, with me.

YEAH, YEAH

is this what you're waiting for?  
[was it worth the time]  
too bad you needed more

is this what you're waiting for?  
[it could have been with me]  
with me, with me.
