Can't Help Falling In Love

Brenda Lee

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay?
Would it be a sin
If I can't help falling in love with you?

Like a river flows surely to the sea Darling so it goes Something's, something's are meant to be

So would you take my hand, take my whole life too Because I can't help falling love with you

I can't help myself from falling in love Falling in love with you
