

# Bring My Love Home

Brendan James

Ten years I've walked down this path  
Destined and dressed in black  
Where the cost is high and the pay I'm taking back  
Ten years you stood by my side  
Cast in an angel's light  
When your heart's so heavy 'cause all you feel is love  
I will return  
Just like every other time I left your side  
Said I, I, I, I  
I, I, I, I

From the Great Escape to the Great Unknown  
I will always bring my love home  
From the highest high to the lowest low  
I will always bring my love home  
From the Northern Sky to the Edisto  
I'll bring my love home  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh

Waste not the air that you breathe  
Dream not to fall asleep  
'Cause the grave you're lyin' will be dug in half as deep  
I'll chase the fire  
But be home again to stand right there beside ya  
Said I, I, I, I  
I, I, I, I

From the Great Escape to the Great Unknown  
I will always bring my love home  
From the highest high to the lowest low  
I will always bring my love home  
From the Northern Sky to the Edisto  
I'll bring my love home

If ever I feel your heartache I will come running home  
If ever I feel your heartache  
I will come running home  
If ever I feel your heartache  
I will come running, I will come running

From the Great Escape to the Great Unknown  
I will always bring my love home  
From the highest high to the lowest low  
I will always bring my love home  
From the Northern Sky to the Edisto  
I'll bring my love home

I'll bring my love home
