

Fire and Rain

Brendan James

Yesterday morning you let me know you were gone
Susan, the plans they made put an end to you
Woke up this morning and I wrote down this song
Just can't remember who to send it too

Oh I've seen fire and I've seen rain
I've seen sunny days and I thought it would not end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Once you looked down upon me, Jesus, you gotta help me make a stand
You just gotta see me through another day
My body is aching and my time is at hand
And I won't make it any other way

Oh I've seen fire and I've seen rain
I've seen sunny days and I thought it would not end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Been waking my mind through an easy time, my back turned towards the sign
Lord knows when the cold wind blows it will turn your head around
Spent tons of time on the telephone line talking about things to come
Sweet dreams and flying machines and pieces on the ground

Oh I've seen fire and I've seen rain
I've seen sunny days and I thought it would not end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again
