

Let You Go

Brendan James

The air tonight is lighter than all the air
that I was floatin' on before I'm higher now for sure
I'm talkin' bout the feelin', the walk across the ceiling
To say goodbye to you and all you put me through

I'm up on Jack and Cokes like no one I know
How could you bring me down, hell if I know
I really think you're heavy so I let you go

I let you go, let you go oh oh oh

I saw the ghost of Elvis, he asked if I was Elvis
He saw the confidence, I have not seen him since
I called the leaning tower, we talked it out for hours
I finally got my way, I had to have it straight sayin'

I'm up on Jack and Cokes like no one I know
How could you bring me down, hell if I know
I really think you're heavy so I let you go

I let you go, let you go, oh oh oh

(How're you supposed to live like that, I've got things to do)

I feel like cryin', I feel like lettin' go
I feel like dyin', I feel like holdin' on
I feel like cryin', I feel like lettin' go
I feel like dyin', I feel like holdin' on
Like holdin' on, holdin' on
Gonna let, gonna let you go
Da da da da da da
I'm gonna miss you, not that much though
