

# The One You Get

Bret Michaels

If you still love me  
Then tell me so  
If you're not certain  
Then please let me go

I'd give my life  
My last breath  
To call you mine  
I deal with that old devil  
If I thought maybe things would be fine  
But I don't imagine I'll ever take that risk  
'Cause if a woman doesn't find the man she wants  
I feel sorry for the man she gets

At night on the phone  
He tells me he cares  
When I try calling back  
He's never there

I'd give my life  
My last breath  
To know he's mine  
I'd deal with that old devil  
If I thought maybe things would be fine  
I don't imagine I'll ever take that risk  
If a man doesn't find the girl he wants  
I feel sorry for the girl he gets

I don't imagine we'll ever take that risk  
If you don't find the one you want  
I feel sorry for the one you get

For the one you get  
For the one you get

I'll be your life  
Your last breath  
For the one you get  
I'll be your love  
I'll feel your pain  
For the one you get  
I'll feel sorry, yeah I do  
For the one you get  
I'll be your life  
Your last breath  
For the one you get
