

# Get 'Em On The Ropes

Brian Setzer

Get 'em on the ropes  
Give 'em all you got  
I don't care what they do  
I don't care if they rot  
I said hey when they get drunk  
They fight all night

Give 'em all the dope  
Give 'em all you got  
I don't care what they do  
I don't care if they rot  
I said hey when they get drunk  
They fight all night

When I came out to California  
I didn't think I would change  
I didn't go and fix my nose  
I didn't change my name  
The things some people do for cash  
It's all a crazy game  
Sometimes I think the more things change  
The more they stay the same

So get 'em on the ropes  
Give 'em all you got  
I don't care what they do  
I don't care if they rot  
I said hey when they get drunk  
They fight all night

Give 'em all the dope  
Give 'em all you got  
I don't care what they do  
I don't care if they rot  
I said hey when they get drunk  
They fight all night

I heard my neighbor stuck  
To all the Islamic fundamentals  
But I found out he really delt  
In cheap Mercedes rentals  
Their dealing and their whereabouts  
Are strictly confidential  
The fact they own my neighborhood  
Is strictly coincidental

So get 'em on the ropes  
Give 'em all you got  
I don't care what they do  
I don't care if they rot  
I said hey when they get drunk  
They fight all night

I'm trying hard to defuse  
This infernal situation  
But all that I can figure out  
Is mass extermination

The newspaper says it's my fault  
So in hell is where I will stay  
Although I hear the traffic there  
Is not as bad as in L.A.

So get 'em on the ropes  
Give 'em all you got  
I don't care what they do  
I don't care if they rot  
I said hey when they get drunk  
They fight all night

Give 'em all the dope  
Give 'em all you got  
I don't care what they do  
I don't care if they rot  
I said hey when they get drunk  
They fight all night
