

## Get It Off Your Mind

Brian Setzer

Well, if you like to go out to flop and fly  
And you don't care if you live or die  
And you like that music with a beat  
Well, then clap your hands and stomp your feet  
And let 'em rock 'n' roll, jump, hop and  
Get it off of your mind...

So, if they're rockin', let 'em rock  
And if they're rollin', let 'em roll  
If they're jumpin', let 'em jump  
If they're hoppin', let 'em hop  
Let 'em rock 'n' roll, jump, hop and  
Get it off of their mind...

Well, if you got that feelin' and it's in your soul  
When you think you've got that rock 'n' roll  
Then get your gal and come on in  
'Cause this is the place where all the fun begins  
Where you can rock 'n' roll, jump, hop and  
Get it off of your mind...

So, if they're rockin', let 'em rock  
And if they're rollin', let 'em roll  
If they're jumpin', let 'em jump  
If they're hoppin', let 'em hop  
Let 'em rock 'n' roll, jump, hop and  
Get it off of their mind...

So, if you got that feelin' and it's in your soul  
When you think you've got that rock 'n' roll  
Then come on down, we'll have a ball  
We'll rock the ceiling and we'll shake the wall  
Let 'em rock 'n' roll, jump, hop and  
Get it off of their mind...

So, if they're rockin', let 'em rock  
And if they're rollin', let 'em roll  
If they're jumpin', let 'em jump  
If they're hoppin', let 'em hop  
Let 'em rock 'n' roll, jump, hop and  
Get it off of their mind...
