

## St. Jude

Brian Setzer

St. Jude pray for us  
St. Jude pray for us  
We need some peace and comfort now  
St. Jude pray for us

We're all alone in this great big world  
And we're slippin', time's slippin' by  
Spirituality is thing of the past  
And it's something money can't buy  
I know I've asked for things before  
And you've always heard my prayers  
So can I ask you one more time  
'Cause we're all running scared

St. Jude pray for us  
St. Jude pray for us  
We need some peace and comfort now  
St. Jude pray for us

It's something that's scorned from the left  
And abused by the right  
It's something so misunderstood  
And ignored in daily life  
If you proclaim the mystery of faith  
You'll be absolved from daily strife  
Through Him, in Him, and within  
Him Springs our eternal life

St. Jude pray for us  
St. Jude pray for us  
We need some peace and comfort now  
St. Jude pray for us

St. Jude pray for us  
St. Jude pray for us  
We need some peace and comfort now  
St. Jude pray for us

Hey whaddya think  
That everything in this world  
Can be painted black and white  
Do you think there are answers  
For everything in our brief and Earthly life  
Think back how good your mother felt  
When she held you close and tight  
And think about the child  
As she goes to sleep hungry every night

St. Jude pray for us  
St. Jude pray for us  
We need some peace and comfort now  
St. Jude pray for us

St. Jude pray for us  
St. Jude pray for us  
We need some peace and comfort now  
St. Jude pray for us
