Beat Goes On

Britney Spears

Drums keep pounding a rhythm to the brain La-dee-da-dee-dee La-dee-da-dee-da Wait till you have reached the age Blah blah History has turned the page Blah blah We still want to hear a brand new thing Uh huh We still need a song to sing Uh huh And the beat goes on Drums keep pounding a rhythm to the brain La-dee-da-dee-dee La-dee-da-dee-da Love is the first and last thing on our minds From tomorrow until the end of time And the beat goes on And the beat goes And the beat goes And the beat goes on Drums keep pounding a rhythm to the brain La-dee-da-dee-dee La-dee-da-dee-da We still move to a rhythm just like this We still dream of sharing our first kiss And the beat goes on Drums keep pounding a rhythm to the brain La-dee-da-dee-dee La-dee-da-dee-da The world keeps turning faster everyday (everyday) We still want to dance the night away And the beat goes on And the beat goes on And the beat goes on And the beat goes on...
