

# Born To Make You Happy

Britney Spears

I'm sitting here alone up in my room  
And thinking about the times  
that we've been through  
I'm looking at a picture in my hand  
Trying my best to understand  
I really want to know what we did wrong  
With a love that felt so strong

If only you were here tonight  
I know that we could make it right

I don't know how to live without your love  
I was born  
to make you happy  
'Cause you're the only one within my heart  
I was born  
to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born  
to make you happy

I know I've been a fool  
since you've been gone  
I'd better give it up and carry on  
'Cause living in a dream of you and me  
Is not the way my life should be

I don't want to cry a tear for you  
So forgive me if I do  
If only you were here tonight  
I know that we could make it right

I don't know how to live without your love  
I was born  
to make you happy  
'Cause you're the only one within my heart  
I was born  
to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born  
to make you happy

I'd do anything,  
I'd give you my world  
I'd wait forever, to be your girl  
Just call call out my name,  
And I will be there  
Just to show you how much I care

I don't know how to live without your love  
I was born  
to make you happy  
'Cause you're the only one within my heart

I was born  
to make you happy  
Always and forever you and me  
That's the way our life should be

I don't know how to live without your love  
I was born  
to make you happy  
I don't know how to live without your love  
I was born  
to make you happy  
'Cause you're the only one within my heart  
I was born  
to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born  
to make you happy
