

# Everytime

Britney Spears

**Es B Es Cmi**

**Es B Es Cmi**

1. Notice me, take my hand  
**Es B Es Cmi**  
Why are we strangers when  
**Gmi Es**  
Our love is strong  
**Gmi Es**  
Why carry on without me

**Es B Cmi**

- R: Everytime I try to fly, I fall  
**Gmi As**  
Without my wings, I feel so small  
**B**  
I guess I need you, baby  
**Es B Cmi**  
And everytime I see you in my dreams  
**Gmi As**  
I see your face, it's haunting me  
**B**  
I guess I need you, baby

**Es B Es Cmi**

2. I make believe that you are here  
It's the only way I see clear  
What have I done  
You seem to move on easy

R: Everytime I try to fly...

**Ces Gmi B**

I may have made it rain

**Cmi**

Please forgive me

**Gmi**

**B**

My weakness caused you pain

**As**

**Gmi**

And this song's my sorry

**Es B Es Cmi**

**Es B**

At night I pray

**Es Cmi**

That soon your face will fade away

R: Everytime I try to fly...
