

Set The World On Fire

Britt Nicole

I wanna set the world on fire
Until it's burning bright for You
It's everything that I desire
Can I be the one You use?

I, I am small but
You, You are big enough
I, I am weak but
You, You are strong enough to

Take my dreams
Come and give them wings
Lord with You
There's nothing I cannot do
Nothing I cannot do

I wanna feed the hungry children
And reach across the farthest land
And tell the broken there is healing
And mercy in the Father's hands

I, I am small but
You, You are big enough
I, I am weak but
You, You are strong enough to

Take my dreams
Come and give them wings
Lord with You
There's nothing I cannot do

Take my dreams
Come and give them wings
Lord with You
There's nothing I cannot do

My hands, my feet
My everything
My life, my love
Lord, use me

I wanna set the world on fire
Wanna set the world on fire, yeah

Take my dreams
Come and give them wings
Lord with You
There's nothing I cannot do, no

Take my dreams
Come and give them wings
'Cause Lord with You
There's nothing I can't do
Nothing I can't do

I'm gonna set the world on fire
Set the world on fire
