

All of the Above

Bro'Sis

Ooh...yeah-yeah...
Yeah-yeah, yeah...

It wasn't so long ago
You never doubt a word I said
So why is it lately
It seems that's the only thing
That's running round your head

You're still making up your mind
Whether to believe me
Well honestly is hard to find
I Guess it's time I underlined the way I feel

You ask me what you mean to me
If it's for real

Chorus
When I wake up in the morning
You're the first thing on my mind
Or the last thing that I think of
When I close my eyes at night
And then later, while I'm sleeping
Is it you I'm dreaming of
Is this infatuation or is it love
All of the above (all of the above)

So now it's time to decide
Whether you have faith in me
'Cause god only knows I tried
To sympathise with all your insecurities

Is there something more that I can do
To make you see, yeah, yeah, yeah...

Chorus
When I wake up in the morning
You're the first thing on my mind
Or the last thing that I think of
When I close my eyes at night
And then later, while I'm sleeping
Is it you I'm dreaming of
Is this infatuation or is it love
All of the above (all of the above)

I could write it in a letter and send it to you
I could paint you a picture to get the message through
Tell me how can I communicate
The feelings I have for you - in my heart

You're always in my heart (all of the above)
All of the above (in my mind...yeah, yeah)

Chorus (2x)
When I wake up in the morning
You're the first thing on my mind
Or the last thing that I think of

When I close my eyes at night
And then later, while I'm sleeping
Is it you I'm dreaming of
Is this infatuation or is it love
All of the above (all of the above)
