

SHAKE!

Brokencyde

We shake, shake, shake, shake
We shake, shake, shake, shake
We shake, shake, shake, shake
Everybody in the club
Let's Go!

Oh yeah, we too legit
Booty shaking to the mix

Call me Se7en, after six
You don't know, better ask a chick

Don't stop!
Let it go
Let me see the tootsie roll

On the top, On the floo'
Better let yo mama know

[Chorus]
We shake, shake, shake, shake
We shake, shake, shake, shake
We shake, shake, shake, shake
You better let yo mama know

We shake, shake, shake, skake
We shake, shake, shake, skake
We shake, shake, shake, skake
Everybody in the club, LET'S GO!

We'll get this party pumping
Girl, we can do it right
Let's get this party jumping
We'll party through the night

We got the speakers bumping
We gotta slip n'slide
Let's get this party jumping
Until the morning light

Don't stop
Let's get wet
Cameras flashing
On the set

Rock stars
In your dreams
Flashy cars
Limousine

Bikini with the polka dots
Come on baby
Don't you stop

On the top, On the floo'
Better let your mama know

[Chorus]

SHAKE! (4x)

[Chorus]
