

U Mad Bro?

Brokencyde

Trollers gon troll
You know we don't really care tho

Came from a zero
Now im a hero
Ive worked to hard
For you to take this from me
My tummy's gettin hungry
and moms raised no dummy

Im givin it my all until I fall
But that seems so impossible to me
Cause you see if you was me
You'd love yourself too
And represent your crew

But if i was you
Id quit with all the hatin
So say what you sayin
But you aint sayin shit
Except what you wrote on the internet
My moment to shine is comin in due time
And imma get mine
Cause im always on my grind

Gettin on my paper so you hatin even mo'
Its even more amazin that I seen you at our shows
Crazy ass hater go ahead and get a life
Take you back to Kindergarden so you can play nice!

You mad bro?
Why you mad bro? (4x)

I be on that straight shit

You be on that gay shit
Dick is always runnin through your head, axis

Droppin dead faces
Louie V cases
If you aint gonna get em
Then im gonna fuckin take em

Hoppin out the Lambo
Lookin like Rambo
Use the hottest verse on your album as an example

Makin money got honeys coutin my cash flow
Haters gonna look at me now like
You mad brah?

Is that your chick
Yeah im the one that fucked your chick
Sprung when I let her touch my dick
She was the one that rubbed on it
Up and down on it

Lovin the way shes suckin it
Pogo stick she jump on it
And she cant get enough of it

Stupid fuckin bitches
Go and do my dishes

Cause im playin with these hoes
And all this bull shittin got me sayin to these hoes

You mad bro?
Why you mad bro? (4x)
