

For Free

Brooke Candy

Please Mr. Bouncer, it's just me and my friends
We didn't know it cost money to get in
We spent all the cash, our AMEX's declined
But we turn the party so let us come inside

We like, 1, 2, dip
Snap, snap, take my picture
1, 2, flip
Clap, clap, take my picture
I get all did up cause I'm who they come to see
I got five dollars but I'm getting in for free
I get all did up cause I'm who they come to see
I got five dollars but I'm getting in for free

Combat boots and a fuck you dude
I'm a goddess god, I'm fucking rude
And my friends don't got ID or change
But we don't need either one to rage so
Tip it back and feel it in your tummy
Let it tingle in your spin, go runny
When we hit that shit go numby
And we got no fucks or money
