

Crazy Love

Brooke Hogan

Your gonna miss that crazy love (your gonna miss that)
Your gonna miss my sexy body (crazy lovin baby)

I tried to love you
I backed up off you
Gave you private space
I should have known better
For you i do whatever it takes
But you had to get _
And you made it look easy
Lie to my face
Lately its been a lie
A helpless case
One of these mornings
Your gonna wake up to an empty bed
You can say what you want but you know
That you will never get me out of your head

Your gonna miss that crazy love
Right after we fight your gonna
Miss my sexy body underneath
The covers at night
Your gonna miss me calling _
Used to take it go slow and make
You go oh your gonna miss my

Left me a message i really messed up
Baby pick up can't live without you
All of a sudden you claim your ready
For love am i suppose to believe you
Never want to believe you'll say anything
Truth is that your incapable of change
One of these mornings
Your gonna wake up to an empty bed
You can say what you want but you
Will never get me out of your head

Your gonna miss that crazy love
Right after we fight your gonna
Miss my sexy body underneath
The covers at night
Your gonna miss me calling _
Used to take it go slow and make
You go oh your gonna miss my

Who's gonna give you all the crazy
Lovin that i gave you
_ curl your toes
Waking up the neighbors
Can't nobody do it baby who do you
Think your foolin baby
What were you thinking of
Your gonna miss my love

Your gonna miss that crazy love
Right after we fight your gonna
Miss my sexy body underneath

The covers at night
Your gonna miss me calling _
Used to take it go slow and make
You go oh your gonna miss my love

Your gonna miss that crazy love
Right after we fight your gonna
Miss my sexy body underneath
The covers at night
Your gonna miss me calling _
Used to take it go slow and make
You go oh your gonna miss my

Your gonna miss that crazy love
Your gonna miss my sexy body

Your gonna miss that crazy love
Your gonna miss my sexy body
Underneath the covers at night translate
