

# Brand New Man

Brooks & Dunn

**C** **D**  
I saw the light, I've been baptised  
**G**  
By the fire in your touch  
**C**  
And the flame in your eyes  
**C** **D** **G C G C**  
I'm born to love again, I'm a brand new man

**G**  
Well the whole towns talkin'  
**C**  
'Bout the line I'm walkin'  
**G** **C**  
That leads right to your door  
**D**  
Oh how I used to roam,  
**G C**  
I was a rolling stone

I used to have a wild side  
They say a country mile wide  
I'd burn those beer joints down  
That's all changed now  
You turned my life around

**G**  
Well the whole towns talkin'  
**C**  
'Bout the line I'm walkin'  
**G** **C**  
That leads right to your door  
**D**  
Oh how I used to roam,  
**G C**  
I was a rolling stone

I used to love 'em and leave 'em  
I'd brag about my freedom  
How no one could tie me down  
Then I met you,  
Now my heart beats true

Baby you and me together  
Feels more like forever  
Than anything I'd ever known  
We're right on track  
I ain't lookin' back

**G**  
Well the whole towns talkin'  
**C**  
'Bout the line I'm walkin'  
**G** **C**  
That leads right to your door  
**D**  
Oh how I used to roam,

**G C**  
I was a rolling stone
