

40 Break

Brotha Lynch Hung

Light up some shit
Yeah, approaching the middle of the tape and shit, you know
Hope muthaf*ckas kinda cool, kinda high right now
'Bout to hear some more shit from this dead muthaf*cka, you know
w
So at this time, pop off the top of my 40 ounce
And give a shout out to all my homies
You know, the ones ain't living right now
First of all, that X-Big X, you know
That nigga living right now, but you know, as far I'm concerned

He dead until he's out, you know what I'm sayin'?
And, uh, shout to my cousin King Miller, you know
Got much love, nigga
Of course, a shout to myself 'cause I'm a dead man walking
So, uh, until my nigga Mr. Doctor's album come out
Y'all finish listening to my shit
And, uh, keep getting high and drunk
And listen to the rest of this muthaf*ckin' album
'Cause that's what I'mma do...
