

Ride-O-Rocket

Brothers Johnson

Ride-o-rocket
Ride-o-rocket

If we get to Jupiter
We'll be on the right course
Past the satellite
We're bound to meet the force

And we'll beam, we'll beam, we'll beam, we'll beam
Shaka!
How high
Where is infinity?
Where lies the mystery

Dilliup, dilliup, dilliup, dilliup
Ride-o-rocket
Oh, yeah, do it, do it, do it, do it
Ride-o-rocket
Aw, come on

Neptune is the place
That I know nothing of
So take me to Venus
She's the goddess of love

And we'll beam, we'll beam, we'll beam
I'll make you scream
Shaka!
How far
Must we go past the sun
Are we the only ones

Dilliup, dilliup, dilliup, dilliup
Ride-o-rocket
Oh, take me to it, take me to it
Ride-o-rocket
Oh, ride, rid, ride, ride
Ride-o-rocket
Take me there
Ride, ride, ride

Ride-o-rocket
I want to see a sunny day now now
Ride-o-rocket
Won't you do it, do it, do it, do it
Ride, ride, ride
Won't you
Ride, ride, ride
Yeah
Ride, ride, ride
That's right

How far
Must we go past the sun
Are we the only ones

Dilliup, dilliup, dilliup, dilliup

Ride-o-rocket
Oooowww, I want to touch the sun yeah
Ride-o-rocket
I want to get you there, get you there
Ride-o-rocket
Won't you ride the rocket
Ride-o-rocket
I'm gonna be your morning star

Ride, ride, ride
Ride, ride, ride
Ride, ride, ride
Ride, ride, ride

Ride, ride, ride (come touch the sun)
Ride, ride, ride (baby, baby you know)
Ride, ride, ride
Ride, ride, ride

Ride, ride, ride
Ride, ride, ride
Ride, ride, ride
Ride, ride, ride

Ride, ride, ride
Ride, ride, ride
Ride, ride, ride
Ride, ride, ride
