Each Season Changes You

Brothers Osborne

Like the weather your heart changes with each season Springtime summer fall and winter too Though I know I'll never understand the reason I still wonder why each season changes you.

It was springtime when I found you like the flowers And our love grew warmer with the summer sun In the fall I could see our love was changing It broke my heart to see what wintertime had done.

Like the weather your heart changes with each season Springtime summer fall and winter too Though I know I'll never understand the reason I still wonder why each season changes you.

--- Instrumental ---

Came the spring again you said that you were sorry And the summer brought a golden memory
In the fall again I saw your love was changing
And the winter brought the same old misery.

Like the weather your heart changes with each season Springtime summer fall and winter too Though I know I'll never understand the reason I still wonder why each season changes you...
