cold sunlight falling on me

**Ami**

I am a lonely man,

**G D/F# Emi**

sorrow is my friend

**Emi G**

Fall asleep as the dawn comes up

**D Emi**

A ray of hope again

**Emi Emi Emi**

**Emi G**

Hold the crystal vision,

**D Emi**

for a second, let it pass

**Emi G**

Hold the crystal vision,

**D Emi**

for a moment, make it last

**Ami**

Summer's so quickly gone

**G D/F# Emi**

Darkness be my friend

**Emi G**

Nothing lasts forever

**D Emi Emi**

but the certainty of change . .

**Emi G D Emi (2x)**

**Ami G D/F# Emi**
