

Carry Me

Bruce Springsteen

G
Carry me, carry me away
 C **G**
Where the nights aren't so cold
G
Carry me, carry me away
 C **D**
Where the streets are of gold
Emi **C** **G** **C**
And my heart will sing 'cause of you, my king
 G **D**
Want you carry me away my Lord
G
Run with me, let's run away
 C **G**
To the gates made of pearls
Run with me, let's run away
 C **D**
Where my heart knows no fears
 Emi **C** **G** **C**
And with my hands raised up 'cause of you, jesus
 G **D**
Won't you carry me away, my lord?
C **D** **Emi** **G** **C**
Hold my hand as I walk through this valley
 D **Emi** **C** **D**
I know that my heart is safe in your hands
C **D** **Emi** **G** **C**
Lift me up as we run through the mountains
 D **G** **C**
For you are my strength and shield
 Emi
Hallelujah, hallelujah
 C **D**
Hallelujah, hallelujah
 Emi **C** **G** **C**
And with my hands raised up 'cause of you, jesus
 G **D**
Won't you run with me away, my lord?
