

# Streets Of Philadelphia

Bruce Springsteen

**F Am F Am**

**F**

I was bruised and battered I couldn't tell what I felt

**Ami**

I was unrecognizable to myself

**F**

saw my reflection in a window and didn't know my own face

**Ami**

oh brother are-you gonna leave me wasting-like-this

**B F C C**

on the streets of Philadelphia

**B F C C**

(lie lie lie lah lie lie lie lah lie...)

I walked the avenue 'til my legs felt like stone

I heard voices of friends vanished and gone

At night I hear the blood in my veins

just as black and whispery as the rain

on the streets of Philadelphia

**B F C C**

(lie lie lie lah lie lie lie lah lie... )

**B Dmi**

Ain't no angel gonna greet me

**B F**

It's just you and I my friend

**Ami B**

and my clothes don't fit me no more I walked a

**C**

thousand miles just to slip this skin

The night is falling, I'm lying awake

I can feel myself fading away

so receive me brother with your fateless kiss or

will we leave each other alone like this

**B**

on the streets of Philadelphia...
