

Wreck On The Highway

Bruce Springsteen

A **D**
Last night I was out driving

A **E E4 E**
Coming home at the end of the working day

A
I was riding alone through the drizzling rain

D
On a deserted stretch of a county two lane

A **E** **A**
When I came upon a wreck on the highway

D
Now there was blood and glass all over

A **E E4 E**
And there was nobody there but me

A
As the rain tumbled down hard and cold

D
I seen a young man lying by the side of the road

A **E** **A**
He cried Mister, won't you help me please

An ambulance finally came and took him to Riverside

I watched as they drove him away

And I thought of a girlfriend or a young wife

And a state trooper knocking in the middle of the night

To say your baby died in a wreck on the highway

Sometimes I sit up in the darkness

And I watch my baby as she sleeps

Then I climb in bed and I hold her tight

I just lay there awake in the middle of the night

Thinking 'bout the wreck on the highway
