

## Warm Embrace Of Poverty

### Brutal Truth

Embrace my trouble mind - rattle on.  
Connect between the lies.  
A march back in the mines - rattle on.  
Normality - relatively.  
Life with me and no prosperity.  
Inside my trouble mind.  
Complicated.  
To reach for this is wrong?  
Reach for my warm embrace of poverty.  
Rumbles on.  
Inside that troubled mind.  
A march back in the mines - rumble on.  
Normality - relatively.  
Life with me and no prosperity  
Inside my trouble mind.  
Complicated.  
To reach for this is wrong?  
Reach for my warm embrace of poverty.
