Electric Funeral

Brutality

Reflex in the sky warn you, you're gonna die Storm coming, you'd better hide from the atomic tide Flashes in the sky turns houses into sties Turns people into clay, radiation minds decay

Robot minds of robot slaves lead them to atomic rage Plastic flowers, melting sun, fading moon falls upon Dying world of radiation, victims of mad frustration Burning globe of oxygen fire, like electric funeral pyre

Buildings crashing down to a cracking ground Rivers turn to wood, ice melting to flood Earth lies in death bed, clouds cry water dead Tearing life away, here's the burning pay

Electric funeral Electric funeral Electric funeral Electric funeral

And so in the sky shines the electric eye
Supernatural king takes earth under his wing
Heaven's golden chorus sings
Hell's angels flap their wings
Evil souls fall to Hell, ever trapped in burning cells!
