Bryan Adams

C **Ami** **G**
If you ever feel like your gonna fall - oh I'll be there
C **Ami** **G**
And If you ever feel down or feel small - oh don't despair
F **G**
And If you ever feel lost or feel alone - babe come on home
F **C**
Lets just make love - all night
F **C**
Lets just hold on - so tight
F **G**
Lets make it last for life - I won't let you go
C
Yeah we're flying
G
Feels just like flying
F **C** **G**
We're such a long way up - from the ground
F **C**
Just you and me flying, so high and
G
We're never gonna come down
