

# Oxygen

Bryan Adams

My hands are shakin' - my heart skips a beat  
I can't focus - I can't speak  
It's like i'm underwater  
And i'm going deep - I need ya around me

Oxygen - every moment  
Oxygen - everyday  
I can't live without it - don't take it away  
I need to breath you in - like oxygen

Losin' cohesion - I'm losin' my mind  
I'm tryin' to resist it - to stay out of the light  
It's like I'm drownin' - in the deepest sea  
I need ya around me

Oxygen - every moment  
Oxygen - everyday  
I can't live without it no - don't take it away  
I need to breath you in

Oxygen every moment - oxygen everyday  
I can't live without it - don't take it away  
I need to breath you in - over and over again

My pulse racin' - my heads in a spin  
I need to see you darlin' - cuz you're my oxygen
