

# There Will Never Be Another Tonight

Bryan Adams

Put on your best dress darling  
Can't you see the time is right  
There will never be another tonight  
Come on!

If You got your motor runnin', then I got my engines on  
'Say the word and darlin' we'll be gone

Outside the world is waitin' but we won't lose control  
So come on now and good times  
roll

You gotta ride your broom right into my room  
Kick off your shoes and make yourself at home  
Wave your little wand - weave a little spell  
Make a little magic - raise some hell

There will never be another tonight  
C'mon baby - hold on tight  
There will never be another tonight  
I don't care if it's wrong or right  
We got nothing to lose just me and you  
In your wildest dreams...  
There'll never be another tonight

Who cares about tomorrow, let the wind fill your sails  
A runaway train ridin' on the rails. We got the bases loaded  
Homerun - double play. Tonight's the night we're going all the way

You gotta ride your broom right into my room  
Kick off your shoes and make yourself at home  
Wave your little wand - weave a little spell  
Make a little magic - raise some hell

There will never be another tonight, C'mon baby - hold on tight  
There will never be another tonight, Flash your diamonds shine your lights  
There'll never be another tonight, I don't care if it's wrong or right  
We got nothing to lose just me and you  
In your wildest dreams... There'll never be another tonight

Some people they're looking for paradise  
Other's they're searching for inner light  
Me I'm just having the time of my life  
I'm heading out, to check it out - check it out

You gotta ride your broom right into my room  
Kick off your shoes and make yourself at home  
Wave your little wand - weave a little spell  
Make a little magic - raise some hell

There will never be another tonight, C'mon baby - hold on tight  
There will never be another tonight, Flash your diamonds shine your lights  
There'll never be another tonight, I don't care if it's wrong or right  
There will never be another tonight, C'mon baby - hold on tight  
We got nothing to lose just me and you  
In your wildest dreams... There'll never be another tonight
