

God Knows

Bryan Duncan

Think of love is a good thing
But what again if it's not?
Is the ladder for climbing
Or just whatever's on top?
Do I bury the hatred
Or with a shovel escape
Through the valley of shadow
Through the heart with a stake
God knows and I don't
What's good for me
Ready or not
Learn the hard way
The lesson never stops
Try to resist
This
Somethin's up you don't wanna miss
Ready or not
Learn the hard way
The lesson never stops
Try to resist
This
Somethin's up you don't wanna miss
Do I walk on the thin line
Just to prove that I'm right?
Am I tempted a third time
Just to see if I might
(Just to prove that I'm right)
If I pray am I askin'
That I should live without pain
Is the world for the taking
What will it be that I gain?
God knows and I don't
What's good for me
Ready or not
Learn the hard way
The lesson never stops
Try to resist
This
Somethin's up you don't wanna miss
Ready or not
Learn the hard way
The lesson never stops
Try to resist
This
Somethin's up you don't wanna miss
Lesson number one:
I don't know everything
[scat singing]
Lesson number two:
Only God is not lying to you
[scat singing]
Alright it goes, dah, dah, dah, dah, dah, dah
We all stand in the dark and look through the blinding glass
(dah, dah, dah, dah, dah, dah)
Yeah, the directions in hand, but there's only one flashlight
(dah, dah, dah, dah, dah, dah)
And at some point you know what

Everyone else is just a little ill informed
All I'm sayin'!
That's all I'm tryin' to say!
