Drinking, cheating, party, lying

None of that anymore, want you back? Hell no  
Uh I'm better off without you  
Now I get to start all over fresh and new  
Now I'm free look at me. Can't you see how happy  
I am without you in my life? Yeah no more misery  
Uh don't have to deal with you anymore  
Woo get out my life ho!
