

## Before You Go

Buck Owens

Oh you say that you're goin' away and leave me  
And you say you ain't never coming back  
That you're sick and tired of how I'm doing  
And you're gonna head off down the track

But darlin' before you go be sure you know how much I love you  
And that I'm sorry for the quarrels that we had  
If you leave, you're gonna tear my world to pieces  
So take it slow be sure you know before you go

Oh your wounded pride has blinded your reason  
And right now you want to hurt me if you can  
The man is waiting here to take you to the station  
And you're leaving with your ticket in your hand

But darlin' before you go be sure you know how much I love you  
And that I'm sorry for the quarrels that we had  
If you leave you're gonna tear my world to pieces  
So take it slow be sure you know before you go
