

(Segue) Helpless

Buckcherry

Sing me a song
Cause I don't want to hear my life go by
Sing me a song
And let the melody dance through our hearts tonight
And if you face it you'll find that the love we can make is so strong

Forget what they're saying,
Stay true to yourself and move on

I see the city at night
I see the street life, the restaurants
The passerbys
Somebody's home
To the shower they go,
Clean the stress away
Is anyone out there to the heart-break station
I'm gone
Forget what they're saying,
Stay true to yourself and move on

I don't wanna live my life today
I'm all outta love and I'm tired of changing
I hope you can help pass the time away
Is anyone out there to the heart-break station
I'm gone

I fell outta love this time again
Can't stand one more fight
I'm too tired and crazy
I know someday I will be strong again
Forget what they're saying,
It's to the heart-break station
I'm gone

Heart-break station, I'm gone (x3)

I fell outta love this time again
Can't stand one more fight
I'm too tired and crazy
I know someday I will be strong again
Forget what they're saying,
Stay true to yourself
Don't let nothin' phase you
Is anyone out there to the heart-break station
I'm gone
