

Machete Mirage

Buckethead

Oh, I wish I was in Dixie! Ole Ole! I wish I was in dixie...

Hi, this is little Littles, remember things are not always as they seem. Sometimes balloons will spell your doom, but a gory head stump can mean good luck.

Most theme parks have maps, not buckethead land. Here people like to get lost and not find their way out. Sometimes you pay for a day and get to stay a whole month. When you finally come stumbling out, confused and disoriented, you won't quite realize what a great deal you just got, hahahaha.

A killer binge on a total psycho deal bobble...
