

# Talking in Your Sleep

**Bucks Fizz**

When you close your eyes and go to sleep  
And it's down to the sound of a heartbeat  
I can hear the things that you're dreaming about  
When you open up your heart and the truth comes out

You tell me that you want me  
You tell me that you need me  
You tell me that you love me  
And I know that I'm right  
'Cause I hear it in the night

I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep

When I hold you in my arms at night  
Don't you know you're sleeping in a spotlight  
And all your dreams that you keep inside  
You're telling me the secrets that you just can't hide

You tell me that you want me  
You tell me that you need me  
You tell me that you love me  
And I know that I'm right  
'Cause I hear it in the night

I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep

When you close your eyes and you fall asleep  
Everything about you is a mystery

You tell me that you want me  
You tell me that you need me  
You tell me that you love me  
And I know that I'm right  
'Cause I hear it in the night

I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep

I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep...
