

# The Land of Make Believe

Bucks Fizz

Stars in your eyes, little one  
Where do you go to dream  
To a place, we all know  
The land of make believe

Shadows tapping at your window  
Ghostly voices whisper: "Will you come and play?"

Not for all the tea in China  
Or the corn in Carolina  
Never, never ever  
They're running after you, babe

Run for the sun little one  
You're an outlaw once again  
Time to change, Superman  
He'll be with us while he can  
In the land of make believe

Something nasty in your garden's waiting  
Patiently, till it can have your heart

Try to go but it won't let you  
Don't know it's out to get you running  
Keep on running  
They're running after you, babe

Run for the sun, little one  
You're an outlaw once again  
Time to change, Superman  
He'll be with us while he can  
In the land of make believe

Your world is turning  
From night to day  
Your dream is burning far, far away

Into the blue, you and I  
To the circus in the sky  
Captain Kids on the sand  
With the treasure close at hand  
In the land of make believe

In the land of make believe

Run for the sun, little one  
You're an outlaw once again  
Time to change, Superman  
He'll be with us while he can  
In the land of make believe

Run for the sun, little one  
You're an outlaw once again  
Time to change, Superman  
He'll be with us while he can  
In the land of make believe

(I've got a friend who comes to tea  
And no one else can see but me  
He came today but had to go  
To visit you, you never know)
