

Down The Line

Buddy Holly

Well, my ol' car's a-rollin' down the line
Thoughts of my baby runnin' through my mind
She's a-waitin' for me, I gotta be on time
I gotta go, go, go, go, go, go, go
I gotta go, go, go, go, go, go, go

Well, the white marker's flying off the road below
Man, I'm a-really flyin' low
My baby's waitin', I can't go slow
I gotta go, go, go, go, go, go, go
I gotta go, go, go, go, go, go, go

Well, a big policeman pulled alongside a-me
He said, "Boy you ain't quite as fast as me!"
I showed him a picture of that baby of mine
He said, "Boy you gotta roll on down that line!"

Well, my ol' car's a-rollin' down the line
Thoughts of my baby runnin' through my mind
She's a-waitin' for me, I gotta be on time
I gotta go, go, go, go, go, go, go
I gotta go, go, go, go, go, go, go
