

Fool's Paradise

Buddy Holly

You took me up to heaven
When you took me in your arms
I was dazzled by your kisses
Blinded by your charms
I was lost, in a Fool's Paradise
Good and lost, in a Fool's Paradise

When you told me that you loved me
I gave my heart to you
And I wondered if there could be
Any truth in love so new
I was lost, in a Fool's Paradise
Good and lost, in a Fool's Paradise

The whole world was my kingdom
And your love the gem in my crown
Then I saw you glance at a new romance
And my love came tumbling down

Though you treat me kind-a coolish
And may never let me know
That you think I'm being foolish
Because I love you so
I'll still get lost, in a Fool's Paradise
Lost with you, in a Fool's Paradise

Though you treat me kind-a coolish
And may never let me know
That you think I'm being foo-oo-oo-lish
Because I love you so
I'll still get lost, in a Fool's Paradise
Lost with you, in a Fool's Paradise
Lost with you, in a Fool's Paradise
