## **Buffalo Springfield**

Oh, hello Mr. Soul, I dropped by to pick up a reason For the thought that I caught that my head is the event of the season

Why in crowds just a trace of my face could seem so pleasin'
I'll cop out to the change, but a stranger is putting the tease
on

I was down on a frown when the messenger brought me a letter I was raised by the praise of a fan who said I upset her Any girl in the world could have easily known me better She said, "You're strange, but don't change", and I let her

In a while will the smile on my face turn to plaster? Stick around while the clown who is sick does the trick of disa ster

For the race of my head and my face is moving much faster Is it strange I should change? I don't know, why don't you ask her?

Is it strange I should change? I don't know, why don't you ask her?

Is it strange I should change? I don't know, why don't you ask her?
