

## Twin Falls

**Built to Spill**

Christmas, Twin Falls, Idaho  
Is her oldest memory  
She was only two  
It's the first time she felt blue

Cafeteria, Harrison  
Elementary  
Beneath a parachute  
I saw her without shoes

7 up, I touched her thumb  
And she knew it was me  
Although she couldn't see  
Unless of course she peeked

My mom's good, she got me out of  
Twin Falls, Idaho  
Before I got too old  
You know how that goes

That's where she still was the summer  
She turned 17  
In 1983  
Three weeks after me

Last I heard was she had twins  
Or maybe it was three  
Although I've never seen  
But that don't bother me
