

# Your Betrayal

## Bullet For My Valentine

Am I going insane?  
My blood is boiling inside of my veins  
An evil feeling attacks  
My body's shaking, there's no turning back

Don't take your eyes off the trigger  
I'm not to blame if your world turns to black  
As your eyes start to blister  
There's just no hope for a final embrace

So here we are, I'm in your head  
I'm in your heart

You were told to run away  
Soak the place and light the flame  
Pay the price for your betrayal  
Your betrayal, your betrayal

I was told to stay away  
Those two words, I can't obey  
Pay the price for your betrayal  
Your betrayal, your betrayal

Is it my turn to die?  
My heart is pounding as I say goodbye  
So now I dance in the flames  
I love you crying and screaming my name

You said that we'd be forever  
How could you kill me and lie to my face?  
Now that we can't be together  
There's just no hope for a final embrace

So here we are, I'm in your head  
I'm in your heart

You were told to run away  
Soak the place and light the flame  
Pay the price for your betrayal  
Your betrayal, your betrayal

I was told to stay away  
Those two words, I can't obey  
Pay the price for your betrayal  
Your betrayal, your betrayal, go

So here we are, I'm in your head  
I'm in your heart

You were told to run away  
Soak the place and light the flame  
Pay the price for your betrayal  
Your betrayal, your betrayal

I was told to stay away  
Those two words, I can't obey  
Pay the price for your betrayal

Your betrayal
