Just let me do you like a Mary Jane
And I love you, I will say it yeah

Girl all the niggas you fucking with
Ain't fucking with my niggas
Came in your hood, they know my name
But they don't know you niggas
I'm so clean fresh off the scene

This is for them long nights I spent on my knees
Screaming "God bless my niggas"

I ain't getting no rest, my nigga
Feeling so hopeless my nigga
Living out the Projects my nigga
Now I ain't got no stress I'm
Swimming in the money, drowning in the deep end
You can hear me coming as I light the weed yeah
