Rock

Burning Spear

Fret not yourself my brother
Worry not yourself, my sister
Come, let's rock in time, rock in time
Come, let's rock in time, rock in time, rock in time
First you must know the time dwell with they
Each and ev'ry individual
Now come, let's rock in time
Let we dip it up your fingers
Come we a get this so loud and clear
All over this lair
All over Whitehill
The coming of the Most High
His Majest
Oh, his Majesty
So come, let's rock, rock in time, rock in time
Rock in time, keep on rock in time, rock – in time
Please don't call up yourself my brother
Don't call up yourself my sister
Let's rock in time, rock in time
Keep on rock in time
