Greatness, yeah, yeah
Aiiyo, turn the beat up a little bit louder
Truck Volume

Yeah, yeah, yeah, yeah
We bout to play a lil' game, match the name with the voice
So when you pick your favorite emcee you makin' the right choice
SO WHO ARE YOU?

Baby Sham, I'm known for the crud First night pops off with a couple of slugs

AND HOW YOU DOIN'?

You see what I'm workin' wit, it's beyond rap
Stick to the fact, that chapped lips get convexed
Palm that, look where the arm's at, nigga need to launch that
Now tell me what the problem be, is that I'm scorching dem
To flood these streets, hot not partially, cock back the toast
Put your heart for free, so what it feels like to hear me crushin' a beat

SO WHO ARE YOU?

The illest broad Digga, reppin' Brick City
If I'm lying may the Lord come strike my left tittie

AND HOW YOU DOIN'?

Undisputed metaphor rap queen, always cookin' up some shit Like mom's a crack fiend, so what's the word Strike a nerve when I'm speakin'
Any emcee whether black or white, or Puertorriquen I'm the big dog, you just a cat stuck in a tree
Not one of y'all cocksuckers fuckin' wit me

SO WHO ARE WE? (Flipmode)
Got you gaspin' for air, hot shit muthafuckas
Throw your hands in the air
WATCH HOW WE DO IT
How we rep and yo we solemnly swear
To put it down until it's over and our time is up here
SO WHO ARE YOU?

Rampage, new tenant, pack big still Fuck what ya heard, I'm ready to kill

AND HOW YOU DOIN'?

Day criminal, street thug material Flipmode Imperial, top breakin' officer Fuck around we warnin' ya, 21 gun salute 6 official conrads, ain't afraid to shoot Niggas see us, we got them shakin' in they boots Flipmode, the streets, bigger than Bayroots

Yeah, Spliff Starr, cunt-crusher, gun-busta Hard-to-toucha, one bad muthafucka

AND HOW YOU DOIN'?

Gangsta bitch, deadly like cancerous
I bring it where your parents live, show you what your status is
Steam-boil your cabbages, I can't take y'all nigaz faggotness
You about to die, show him where his casket is
You wanted beans, I had your hood under siege
Guns get squeezed, and bullets hit your knees

SO WHO ARE YOU?
Bus-A-Bus now, somethin' fo' sho'
Keep 'em whilin' till somebody's left a leak on the flo'
AND HOW YOU DOIN'?
We've been awaitin' the God, to make an undernovel entry
Controllin' everything in the yard
Rugged like General Custard it seems
How we crush grapefruit, niggaz, and make a mustard out of your team
You know we hotter than the 4th of July
So sit back and watch the fireworks show light up my name the sky

SO WHO ARE WE? (Flipmode)
Got you gaspin' for air, hot shit muthafuckas
Throw your hands in the air
WATCH HOW WE DO IT
How we rep and yo we solemnly swear
To put it down until it's over and our time is up here
SO WHO ARE YOU?
